## WHAT EXPERIENCES ARE GAINED?

If you speak to many former MNHSRA Queens, you will find they have:

- Developed lifelong friendships with other MN Queen candidates, former queens as well as young ladies from all over the country,
- Developed confidence in speaking with peers and adults,
- Developed confidence in speaking in front of people; for some this was a major accomplishment,
- Developed confidence in the interview process; this comes in handy for scholarship and job interviews,
- Developed their horsemanship skills, both on a set pattern and carrying flags/grand entries,
- Gained a better understanding of the NHSRA rulebook,
- Opportunities to promote the sport we all love.

## INFORMATION

This is a new fundraiser idea for the next MNHSRA Queen, as well as a chance for ALL girls in the association to see what the Queens Contest is like.

This exhibition pageant will be held at the Region 3 Rodeo at Dead Broke Arena, Friday afternoon of May 17th and Saturday evening of May 18th.

My hope is that this is a fun and educating opportunity and that every girl walks away with confidence in their character. No girl will walk away empty, I will be sure of that!

Girls interested are encouraged to follow the outfit and attire rules out of the current rule book, but it certainly is not mandatory. If you do not want to be in western attire, suggestions I may offer:

Horsemanship/Test – Blue jeans, boots, and a comfortable t-shirt.

Interview – Jeans, boots, and a nice blouse. Think job interview.

Modeling/Impromptu – Fashion Forward/Western Trendy. Think western boutique and NFR Fashion.
